MANAGEMENT PLAN FOR BLM IN SOUTHWEST MONTANA NEARS COMPLETION

DILLON (January 4, 2005) - If you work or play in southwest Montana on Bureau of Land Management (BLM) lands in Madison and Beaverhead Counties, you may have an interest in the proposed management of those lands. The BLM's Dillon Field Office anticipates release of the Proposed Resource Management Plan (RMP) and Final Environmental Impact Statement (EIS) in April 2005.

This multi-volume document will highlight changes made based on public comments received on the Draft RMP released last March. The Proposed RMP/Final EIS will be available electronically on the Dillon RMP website at www.mt.blm.gov/dfo/rmp. To be guaranteed a printed or CD copy of the document, you must request one by contacting Renee Johnson in the Dillon Field Office at (406) 683-8016 or sending your request by regular mail to Dillon RMP, BLM Dillon Field Office, 1005 Selway Drive, Dillon, Montana 59725. Requests for print or CD copies must be received by January 14, 2005.
